**Attendance Policy for Participants:**

In our continuing efforts to provide the best customer service to our participants and due to our limited class size, we need to ensure that participants attend the courses that they schedule. If a participant schedules a course and does not attend this limits us from allowing the opportunity for another participant to attend the course. Therefore, in fairness to all participants, **participants who do not attend their scheduled classes will forfeit the course fees.**

Course fees are non-refundable unless **participants give 2 BUSINESS DAYS notice of cancellation or a need to reschedule. Be advised that we will only reschedule ONCE without charging for the course in full. **Effective immediately, there will be a \$50.00 rescheduling fee. Credits for rescheduled classes will only be valid for one year.****

**Late Arrivals:** once the class is in session, participants will be asked to reschedule at the discretion of the instructor, as material that has been covered will not be repeated and we will not certify if the participant has missed portions of the course. Course fees are forfeit.
