

COVID-19 (Coronavirus)

Physical Distancing and Closure Schedule

Effective from 28st May to 30th June 2020

Version 8.1 (29th May)

The purpose of mitigation measures is to minimize COVID-19 transmission by limiting social movement.

Curfew in place between 10pm and 6am daily. Permitted businesses may operate 7am to 9pm

per Emergency Powers (Covid-19 Continuing Precautions) Regulations 2020

Persons should limit daytime movement (6am – 10pm) during the Phase 2 re-opening period.

- Limit movement to business, exercise, assist a vulnerable person, purchase groceries or medications, or for healthcare. Social visits should be minimized.
- Gatherings over 10 persons are prohibited (in public places or private residences).
- At all times practice physical distancing of six (6) feet between persons.
- Wear a cloth / homemade face masks in indoor public places to protect others.
- Avoid using surgical masks, which are for healthcare. Never use N95 masks unless you are a healthcare worker in a healthcare setting.
- Employer must arrange for employees to work remotely from home using electronic means or otherwise, where practicable.

When in a permitted business or making purchases at curb-side or deliveries, practice strict physical distancing:

- Maintain a physical separation of 6 feet from others.
- Wear a cloth face mask at all times.
- Wash hands or use hand sanitizers entering and leaving the stores.
- Avoid cash transactions as much as possible and use a delivery option if available. Sanitize after using cash.
- If you bring your reusable bags, sanitize them first.
- Pack your own purchases so that fewer hands have touched your goods.
